Why choose New Zealand?

New Zealand is a great place to study, and offers many exciting opportunities for both international and local students.

You will feel welcome

Kiwis are some of the most welcoming people that you will ever meet. Just under five million people live here, and it is one of the safest places in the world. Over 30 nationalities call New Zealand home.

A country with a highly regarded educational system

In New Zealand and at Aspire2 International, you are guaranteed the high quality, hands on education you deserve. The support services for international students are among the best in the world.

Stable economy

We have a democratic system of government and our economy is growing and stable.

Work opportunities

We recognise that for many international students it is important to be able to work, to support day to day living. In New Zealand, there are work opportunities available for international students. On a student visa, you are allowed to work up to 20 hours a week during your study and full-time during semester breaks.

Why choose Aspire2 International?

With three campuses in three of New Zealand's most popular cities – international students have choices on where they'd like to study! Our campuses are located in the city centre of each town, close to public transport, services, stores, and amenities – making the study experience convenient and interesting. Programmes are taught in small, personalised classrooms that foster an interactive and collaborative learning experience between you and other international students from all over the world.

Qualifications for real jobs in real industries

All our programmes have a practical focus. Everything you learn will give you the skills to work in your chosen career. We work closely with industry partners to ensure that what we are teaching is what they are looking for when you graduate. Throughout your study, you will gain insights into real industries by hearing directly from our industry partners.

Expert tutors who make a difference

Launching or extending your career begins with a positive, engaging study experience. Whatever path you are taking, that's just what you will get by working with our dedicated and talented teachers and enjoying our welcoming campuses.

Counselling support

When you are studying a long way from home, sometimes you might need someone to talk to. Feeling relaxed and enjoying your learning experience is a large part of your success, our people will help you sort out any problems.

Help with employment

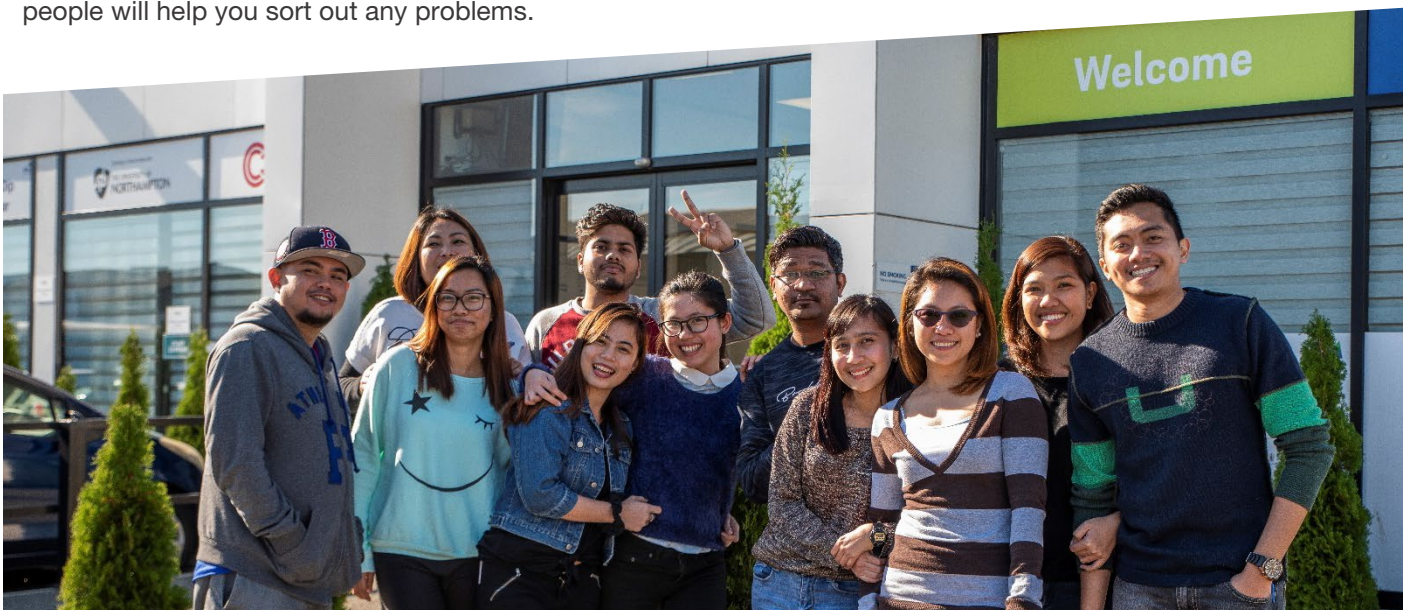

The Aspire2 Work team are dedicated to helping you find work – whether that is part time work while you study, or full-time work in your holidays or when you have completed your studies

Up-to-date study options

Our English language programmes and our range of diplomas and certificates are delivered using up-to-date techniques and content and aligned with industry standards. We work with the New Zealand Qualifications Authority (NZQA) and industry leaders to keep our curriculum fresh and relevant.

Time for work and play

Life at Aspire2 International isn't all hard work – learning a new language, new concepts or new ideas can be tiring. It's good to balance that work with plenty of fun, and that's why we organise activities to encourage you to mingle with other students and, if you're coming from overseas, to experience Kiwi life.

Our Campuses

Located in the North Island, Auckland is New Zealand's largest city and home to a third of the country's population. This vibrant, multicultural city is full of restaurants, shopping malls, theatres, and activities. It is located between two harbours so there is plenty of wild beaches, islands, and beautiful coastal scenery to explore. As New Zealand's financial and economic centre, there are employment opportunities in many sectors of the economy. Our Auckland campus is in the heart of the city centre amongst the country's top art, culture, and commerce organisations, easily accessible by public transport.

Christchurch is the largest city in the South Island and the second largest city in New Zealand. The city centre is being rebuilt in a bold and modern style - with new bars, international restaurants and creative spaces appearing all over the city. This is great city for students looking for work in the tourism, hospitality and construction industries. Christchurch is the gateway to all the magnificent South Island scenery and amazing outdoor activities. Aspire2 International's Christchurch campus is located close to the city's famous landmarks and river district.

Tauranga is New Zealand's fifth largest city and the economic hub of the Bay of Plenty region. Many national and international businesses are based there offering opportunities for employment. It has the country's largest port, and the city is well connected to other New Zealand cities, and easily accessible by car, bus, and plane. Tauranga is known for its pleasant weather, coastal lifestyle, high quality of life, and new job opportunities - making it a popular destination for study and work. Aspire2 International's Tauranga is in the centre of town near amenities, public transport, shops, bars, and cafes.

Key Information for International Students

Medical and travel insurance

International students must have appropriate and current medical and travel insurance while studying in New Zealand. It must include cover for student travel to and from New Zealand for the duration of time that the student is enrolled. We can arrange students' insurance through OrbitProtect (for more information go to www.orbitprotect.co.nz). Alternatively, students can arrange their own insurance, and they must provide proof of suitable insurance at the time of enrolment. Please contact Student Support for more information on insurance:

studentsupport@aspire2international.ac.nz If you have any questions about OrbitProtect insurance, or if you wish to make a claim once the policy is in force, OrbitProtect can be contacted on: 0800 478 833 or 0800 4 STUDENT if you're in New Zealand or +64 3 434 8151 (Reverse Charge) if you're outside New Zealand.

Health services eligibility

Most international students are not entitled to publicly funded health services while in New Zealand. If you receive medical treatment during your visit, you may be liable for the full costs of that treatment. Full details on entitlements to publicly funded health services are available through the Ministry of Health, and can be viewed on their website at www.moh.govt.nz

Accident insurance

The Accident Compensation Corporation provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but you may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at www.acc.co.nz

Student withdrawals and fee refunds

Our fee refund policy is in accordance with the Education Act 1989 and amendments and applies to international and domestic students. Please refer to our website for details aspire2international.ac.nz

Visas

International students are required to have a valid student visa during their stay in New Zealand. Once you have received an Offer of Place from us and you have paid your tuition fees, you should apply for a relevant student visa from Immigration New Zealand office www.immigration.govt.nz

Student fee protection

The New Zealand Government requires all New Zealand Qualifications Authority (NZQA) registered Private Training Establishments to protect student fees paid to them in advance. We are registered for Fee Protect through The Public Trust, which has an unsecured capital guarantee from the New Zealand Government. For further information visit www.feeprotect.co.nz

Pastoral care

Aspire2 International promotes the wellbeing of students and supports them during their studies. We have agreed to observe and be bound by the Code of Practice for the Pastoral Care of International Students. Copies of the Code are available on request from Aspire2 International or from the NZQA website at www.nzqa.govt.nz. You should make sure you have read and understood the Code.

Warnings

Formal warnings will be given to students who take part in: poor attendance, academic misconduct, and behavioural misconduct. All warnings will be recorded, and warnings remain valid for the duration of the programme of study. In cases of Academic Integrity or Behavioural Misconduct where the violations are particularly significant an immediate Final Warning can be issued, or the matter can be immediately referred to the Disciplinary Committee.

COVID-19

Incoming students will need to adhere to the New Zealand Government's border control and entry requirements when entering the country, which may include proof of vaccination and a period of quarantining.
